HEALTH CARE AND REHABILITATION

COVID-19 Information from Parker Jewish Institute

Tuesday, March 17, 2020

The health and safety of our community continues to be our top priority, in the wake of the evolving situation around the novel coronavirus (COVID-19).

The Parker Jewish Institute for Health Care and Rehabilitation will continue being **closed** to all visitors, based upon Federal/State Guidelines. Visitors will only be allowed onto the Skilled Nursing Facility floors, if their loved one is on hospice.

In addition, as we have done recently, family members are welcome to drop-off any laundry items, at the Parker Switchboard, and our Security Officers will deliver the package to a resident's room.

Parker's Administration will continue to evaluate the visitation policy, each week.

Thank you in advance, for your cooperation.
