HEALTH CARE AND REHABILITATION

COVID-19 Update from Parker Jewish Institute

Tuesday, March 24, 2020

On behalf of the Parker Jewish Institute for Health Care and Rehabilitation, we want to thank everyone for their support and continued cooperation, during these challenging times. The Parker Jewish Institute remains closed to all visitors, based upon Federal/State Guidelines. Visitors will only be permitted onto the Skilled Nursing Facility floors, if their loved one is on hospice/end-of-

life. We will continue to deliver all packages, including personal laundry, that is dropped-off at our Switchboard. The Clinical Teams, composed of both the Medical and Nursing Leadership, continue to monitor all of the residents, for any respiratory, gastrointestinal and flu like symptoms. As we have encountered these symptoms, we remain on full-house-wide restrictions, limiting the movement of residents/staff, to protect everyone.

Many of you have taken advantage of “Facetiming”, with your loved one. We encourage everyone to continue to take advantage, of this communication method.

In an effort to increase our family communications, the Parker Jewish Institute has established a **Parker Family Call Center**. Please direct all of your phone calls, about your loved one or to schedule “Facetime”, at **(718) 289-2888**. This new **Parker Family Call Center** will be operational seven-days-a-week, from 9:00 A.M to 8:00 P.M.

Thank you for your cooperation.
