

## COVID-19 Update from Parker Jewish Institute

**Monday, May 11, 2020**

Dear Parker Families,

On behalf of the Parker Jewish Institute for Health Care and Rehabilitation, we hope that everyone enjoyed Mother's Day. Your continued support during these challenging times is very much appreciated.

We wanted to specifically advise you that the Parker Jewish Institute is now posting on its web site, COVID-19 page, a once-a-week cumulative statistical update. This update now includes the number of recovered patients, by example. We hope that you find this information helpful.

As a quick reminder, **Parker's Family Call Center** remains available to you (718-289-2888).

Thank you.

The Parker Community
