

**Parker Jewish Institute**  
HEALTH CARE AND REHABILITATION

**Thursday, March 19, 2020**

Dear Caregiver,

As we navigate health concerns regarding COVID-19 and take the CDC recommended precautions, our team remains committed to serving you and your loved one.

For questions or assistance, the best way to connect with us is via email at [info@parkerinstitute.org](mailto:info@parkerinstitute.org). Contacting us through email allows for us to provide the most timely assistance possible.

We would like to take this opportunity to educate you about Parker's Willing Hearts, Helpful Hands program. Willing Hearts, Helpful Hands is an innovative community program serving family caregivers in Queens, Nassau and Suffolk Counties by connecting them with a circle of help. The well-trained staff provides family caregivers support, at no cost. Without help in the daily tasks of care-giving, the risk to your health and well being is as real as it is to your loved one. For questions or assistance, please email [whhh@parkerinstitute.org](mailto:whhh@parkerinstitute.org).

Parker's Willing Hearts, Helpful Hands will be offering a variety of opportunities for families and volunteers to connect through virtual platforms as well as by telephone. For updates, please click [\*\*here\*\*](#).

We thank you for your continued support and understanding of these changes during this time of heightened concern. We will keep you updated accordingly.

Thank you,

The Parker on Madison Team
