

**Parker Jewish Institute**  
HEALTH CARE AND REHABILITATION

## **COVID-19 Update from Parker Jewish Institute**

**Tuesday, July 21, 2020**

Dear Parker Families,

Parker is delighted to announce that we will be giving our families the opportunity to visit with their loved one this week on **Friday, July 24, 2020, from 10 am – 5 pm**, to be held **from your personal vehicle** in front of the facility.

Please note that to ensure the health and safety of our community, if temperature is above 90 degrees and/or if inclement weather is expected, visits will be cancelled. Please understand that to coordinate this safely and fairly, and to accommodate as many family visits, the process will be as follows:

1. To reserve your visit time – please contact the **Family Call Center – 718-289-2888**.
2. Time for visitation will be scheduled every 15 minutes and the maximum length of visit is 10 minutes.
3. Your reservation will be confirmed once all the information is received and that your loved one is medically stable to participate.

For the safety of all, no patient or resident will be able to participate if they are currently COVID+ and/or for any health related reason, it is medically inadvisable for them to participate. All visitors will be required to wear masks which will be made available to you by Parker Jewish Institute.

We recognize how difficult this time has been for all of you. The Parker Team continues to strive, each day, to do our best. Our new Visiting Policy/Guidelines, will be forthcoming.

Sincerely yours,

The Parker Community
