**Thursday, September 17, 2020**

Dear Parker Families,

On behalf of the Parker Jewish Institute, we apologize for this notice, in advance. Please be advised that effective immediately, family visitation is cancelled until further notice. Family visiting is cancelled, due to the following:

- Recent regulatory changes that have been issued to the nursing facilities, to observe.
- All visitors will now be required to have proof of a COVID-19 negative test result within 7 days, prior to visiting with their loved one.
- We have been alerted today of a staff member, who tested positive for COVID-19. The staff member is asymptomatic.
- Per regulatory guidelines, we must cease visitation for approximately 14 days.

We are committed to ensuring the health and safety of our community. Under the strong guidance in coordination with our Chief Medical Officer, we are taking all precautions and being prudent in our process and policy.

**WE WILL MONITOR AND ADVISE ACCORDINGLY FOR FUTURE  
DATES AND HOURS OF OPERATION.**

We appreciate your patience during these uncertain times, as our priority remains protecting the health and safety of the Parker community.
