

Parker Jewish Institute
HEALTH CARE AND REHABILITATION

Thursday, November 19, 2020

Dear Parker Family Members and Friends,

In anticipation of Thanksgiving, we are planning to expand our Window Visits to accommodate additional visit times:

Wednesday, November 25, 2020, 11:00 am to 4:30 pm

Thursday, November 26, 2020, 11:00 am to 4:30 pm

We ask that you schedule your time in advance by Tuesday, November 24, 2020, to ensure availability and desired time. Please contact the Family Call Center, 718-289-2888.

In addition, since Thanksgiving Day will be a busy one at Parker, please submit your request for a FaceTime, as availability to facilitate will be limited.

A Message from Dr. Igor Israel, Chief Medical Officer:

Due to the recent resurgence of COVID-19 positivity rates, in the communities surrounding our geography, our recommendation is that you refrain from requesting your loved one to be out of the facility, during the Thanksgiving holiday. We have thus far had no infections in our resident/patient population. We are extremely diligent about mitigating any potential exposure to this insipidus virus.

Tips for a Safer Holiday Season

Although this year has brought so much sadness and uncertainty, there is so much for us all to be thankful for every day. As we celebrate this year, we ask that you stay diligent and mindful to protecting your health, as well as the health of your loved ones. We are committed to doing all we can to ensure that our residents/patients continue to safe today, and every day. We give thanks for the members of our community that care for them, each other as well as their own families.

This year, our homes may be far apart, but our hearts are as close as always, and this year, more than ever! Thank you for giving us the privilege to serve you and your loved one.

Wishing you good health and a Happy Thanksgiving,

The Parker Team
