

Parker Jewish Institute
HEALTH CARE AND REHABILITATION

Saturday, November 21, 2020

Dear Parker Family Members and Friends,

We hope this note finds you well. In our continued effort to keep you informed and apprised, we regret to inform you that on Friday, November 21, 2020, Parker was notified that one team member tested positive for COVID-19. This specific team member has been off shift for the past several days. We do want to assure you that we are continuing to work diligently each day and night, to keep our community safe and infection free.

The Family Call Center continues to be available for your calls and help you facilitate communications, as well as schedule Window Visits, FaceTime or just to be your link for any requests that you may have.

We are all in this together and we are grateful for your trust and confidence. If you have not done so already, we ask that you schedule your time in advance by Tuesday, November 24, 2020 to ensure availability and desired time. Please contact the Family Call Center, 718-289-2888.

Wishing you good health and a Happy Thanksgiving,

The Parker Team
