HEALTH CARE AND REHABILITATION

Friday, November 27, 2020

Dear Parker Family Members and Friends,

We hope that everyone enjoyed a safe Thanksgiving Holiday! Window Visiting has proven to be a successful and safe way for our families to visit the residents.

As of today, we have one resident who tested positive for COVID-19, and is asymptomatic. This resident previously tested positive for COVID-19 earlier in the year. We are ensuring that all infection control practices remain in full effect, with hyper focus. We continue to monitor our residents, screen our staff daily, as well as test our staff weekly, for COVID-19.

Parker will keep you apprised and updated accordingly. Our Family Call Center is available to facilitate any requests, as well as communicate any questions you may have. Wishing you good health and a Happy Thanksgiving Holiday Weekend,

The Parker Team
