Saturday, November 28, 2020

Dear Parker Family Members and Friends,

In an effort to be transparent, as well as keep you informed and updated, as of today we have identified a resident who tested positive for Covid-19, and is asymptomatic.

We are ensuring that all infection control practices remain in full effect and that we remain hyper focused to ensure everyone's safety. We continue to monitor and test our residents, screen our staff daily, as well as test our staff weekly.

Parker will keep you apprised and updated accordingly. Our Family Call Center is available to facilitate any requests, as well as communicate any questions you may have. Wishing you good health and a Happy Thanksgiving Holiday Weekend,

The Parker Team
