

Parker Jewish Institute
HEALTH CARE AND REHABILITATION

Monday, November 30, 2020

Dear Parker Family Members and Friends,

We hope that you are keeping safe during this Holiday Season! As of today, we have one new staff COVID-19 case. One staff member has tested positive for COVID-19, and is asymptomatic. Employees, who test positive for COVID-19, as a result of our weekly testing, will be placed off-duty, for fourteen days. We continue to monitor and test our residents/patients, screen our staff daily, as well as test our staff weekly.

Please note, community infection and transmission rates on the rise, in New York State. In an effort to mitigate Covid-19 infections, we are testing staff members two times this week, surpassing regulatory requirements based on our community rate, to ensure everyone's safety.

The Family Call Center continues to be available for your calls and help you facilitate communications, as well as schedule Window Visits, FaceTime or just to be your link for any requests and questions that you may have. Please contact the **Family Call Center, 718-289-2888.**

Wishing you good health,

The Parker Team
