Dear Parker Family Members and Friends,

In our continued effort to keep you informed and apprised, as of yesterday evening, we are reporting two team members and two students have tested positive for COVID-19. This team member is asymptomatic. Employees who test positive for COVID-19, as a result of our weekly testing, will be placed off-duty, for fourteen days. We continue to monitor and test our residents, screen our staff daily, as well as test our staff weekly.

The Family Call Center continues to be available for your calls and help you facilitate communications, as well as schedule Window Visits, FaceTime or just to be your link for any requests and questions that you may have. Please contact the Family Call Center, 718-289-2888.

Parker remains committed to keeping your loved one safe and will continue to follow state and federal guidelines for infection control, which includes strictly enforcing safety protocols as COVID-19 rates rise.

Sincerely yours,

The Parker Team
