

Parker Jewish Institute
HEALTH CARE AND REHABILITATION

Monday, February 22, 2021

Dear Parker Family Members and Friends,

As of yesterday, we have identified one resident who has tested positive for COVID-19 and is asymptomatic. Parker continues to monitor and test our residents/patients, screen our staff daily as well as test our staff weekly.

We would like to mention, that based on the recent announcement as it relates to resuming visitation in skilled nursing facilities, we will keep you posted as we wait for further guidance from our federal and state regulators.

The Family Call Center continues to be available for your calls and help you facilitate communications, as well as schedule FaceTime calls or just to be your link for any requests and questions that you may have. Please contact our Family Call Center at 718-289-2888.

Sincerely yours,

The Parker Team
