

Parker Jewish Institute
HEALTH CARE AND REHABILITATION

Friday, April 2, 2021

Dear Parker Family Members and Friends,

As of yesterday, we have identified two staff members who have tested positive for COVID-19 and are both asymptomatic. We currently have no COVID-19 positive residents at our facility. Staff members who test positive are required to quarantine at home for 14 days, and may return back to work after a negative COVID-19 test result is received. Parker continues to monitor and test our residents/patients, screen our staff daily as well as test our staff weekly.

The Family Call Center continues to be available for your calls and help you facilitate communications, as well as schedule FaceTime calls or just to be your link for any requests and questions that you may have. Please contact our Family Call Center at 718-289-2888.

Sincerely yours,

The Parker Team
