Dear Parker Family Members and Friends,

As of today, we have identified one staff member who has tested positive for COVID-19 and is asymptomatic. Parker continues to monitor and test our residents/patients, screen our staff daily as well as test our staff weekly.

Visitation currently takes place on Parker's lower level patio. All visitors will be screened upon entering and must undergo temperature and symptom screening, perform hand hygiene and wear a mask at all times. If you are ill or have COVID-19, we ask that you postpone your visit. Please note that a maximum of two visitors per resident will be allowed per visit. If you have not already done so, please click [here](#) to schedule your visit.

The Family Call Center continues to be available for your calls and help you facilitate communications, as well as schedule FaceTime calls or just to be your link for any requests and questions that you may have. Please contact our Family Call Center at 718-289-2888.

Sincerely yours,

The Parker Team
