

Parker Jewish Institute
HEALTH CARE AND REHABILITATION

Tuesday, June 29, 2021

Dear Parker Family Members and Friends,

We hope you are enjoying the summer! Although there is a positive change from this time last year to now regarding COVID-19, with restrictions across our state to have been lessened, let's not let our guard down just yet – the delta variant is out there.

As we prepare for this new strain, and in the event your loved one has not yet been vaccinated, we are happy to assist and offer the vaccine. Please contact your social worker, who will work with you to facilitate.

If you would like additional information on the COVID-19 vaccine, we are happy to provide resource to you. Please click [here](#) or call (718) 289-2606, if you would prefer to speak to one of our clinical experts.

The Family Call Center continues to be available for your calls and help you facilitate communications, as well as schedule FaceTime calls or just to be your link for any requests and questions that you may have. Please contact our Family Call Center at 718-289-2888.

We hope that you enjoy the July 4th holiday weekend!

Sincerely yours,

The Parker Team
