Dear Parker Family Members and Friends,

We have identified one staff member who has tested positive for COVID-19. All residents and staff members will continue to be tested for COVID-19.

We will continue to host outdoor visitation, weather permitting for all units not affected by this restriction. Compassionate care visits will continue to take place. Please note, that in the event that weather conditions affect our ability to offer outdoor visitation, we appreciate your understanding in the event we need to cancel.

Please be sure to follow these rules when visiting:

Wear a mask, with face shield or goggles, from when you enter our facility until you exit the building. Protective gear must be worn when in the presence of a resident, both indoors and outdoors. Wash or sanitize your hands when you enter the building, often throughout your visit and again prior to leaving.

Maintain social distancing at all times during your visit. Our obligation is to protect our community from the spread of COVID-19. Thank you in advance for your understanding and support.

Sincerely yours,

The Parker Team
