HEALTH CARE AND REHABILITATION

**Monday, October 25, 2021**

Dear Parker Family Members and Friends,

We hope that this note finds you and your family well. In anticipation of the inclement weather that is forecasted for the next few days, and in an effort to be proactive, our Family Call Center staff will contact you in the event there is a change in location from our standard outdoor patio visitation, to our designated indoor first floor visiting areas.

Thank you for your patience and support as we all work together to maintain the highest standard in quality and infection control practices.

We continue to encourage vaccination and booster shots to all who are eligible. Please [click here](#) to schedule your vaccine.

Respectfully,

The Parker Team
