We hope that this note finds you and your family well. We are writing to provide you with these important updates below, for your review:

**Update #1:**

As we continue to take all safety precautions necessary to protect against COVID-19, we are preparing to facilitate safe visiting during the fall/winter seasons. Additional information will be provided to you, as we complete our safety plans.

**Update #2:**

We continue to encourage COVID-19 vaccination and booster shots, to all who are eligible. Please [click here](#) to schedule your COVID-19 vaccine appointment.

Meanwhile, we continue to embrace the beautiful fall weather at the Parker Jewish Institute. The comfortable weather has provided a breath of fresh air for our patients and residents, families and team members. We encourage visitation to occur in our welcoming outdoor public spaces, whenever possible.

Please stay tuned for further details on upcoming holiday celebrations that we have in store.

Respectfully,

The Parker Team
