

Friday, January 14, 2022

Dear Parker Family Members and Friends,

We hope that this communication finds you well.

We have received new regulations regarding visitation, for all Skilled Nursing Facilities. Effective Monday, January 17, 2022, all visitors who choose to visit inside the facility, will need to please comply with the following:

COVID-19 Testing for Visitors:

All Visitors will be screened upon entering our community.

All visitors must verify that they have received a negative COVID-19 test result, one day prior to visitation, by the antigen rapid test or two days prior to visitation with a PCR test.

Procedure: If you have a PCR test report, within the required timeframe above, please bring the result with you, for your visit. If it is an at-home test result, please take a photo of the final result and be prepared to present the photo upon entering the facility. Everyone will be asked to complete a mandatory attestation form, at time of entry to the facility. You may access the attestation form via the following [link](#).

Please also be aware, that if you receive a positive COVID-19 test result, you will not be allowed to enter into our community, as mandated by our regulators.

Wearing Masks:

Visitors will be required to wear a surgical mask, at the minimum, as opposed to a cloth mask. A surgical mask will be provided to you upon clearing security/screening, unless you have one in your possession already.

Please be sure to follow these rules when visiting:

- Wear a mask from when you enter our facility until you exit the building.
- Wash or sanitize your hands when you enter the building, often throughout your visit and again prior to leaving.
- Maintain social distancing at all times during your visit.
- Please refrain from visiting if you are not feeling well.

We ask that you strongly consider scheduling an [outdoor visit](#) in our heated outdoor pavilion, and/or, scheduling a [virtual visit](#). We remain vigilant with enforcing our infection control protocols, for everyone's safety.

Our obligation is to protect your and our community from the spread of COVID-19. Please contact the Family Call Center at 718-289-2888, if you have any questions.

Thank you in advance for your understanding and support.

Sincerely yours,

The Parker Team
