

Wednesday, March 23, 2022

Dear Family Members:

As we *Spring Ahead*, and start to enjoy the warmer weather, that encourages us all to take some time to enjoy the daylight a little longer these days. We would like to take the opportunity to thank all our families for their support, patience and above all, the trust of your loved one to our care.

With that said, we would like to remind all, especially when visiting the facility, that our COVID-19 infection control practices continue to be in effect.

We remind you to **please be sure to follow these rules when visiting:**

- Wear a mask from when you enter our facility until you exit the building.
- Wash or sanitize your hands when you enter the building, often throughout your visit and again prior to leaving.
- Maintain social distancing at all times during your visit.
- Please refrain from visiting if you are not feeling well.

We strongly encourage all visitors to be vaccinated against COVID19--and when eligible, boosted--prior to visiting. To schedule a COVID-19 Test at our outdoor vaccination and testing center, please [click here](#).

Please contact the Family Call Center at 718-289-2888, if you have any general questions.

Together, we can all be grateful in welcoming another spring to bring us sunshine, create new memories and just be able to breathe a little easier.

Thank you for letting us serve you!

Sincerely yours,

The Parker Team
